

# Illinois 5Essentials Survey

## Parent Survey

Calling all  
**parents**

We need your help with the 5Essentials Survey beginning  
**January 30 - March 29**

This survey gathers data on five indicators that can predict student outcomes: **effective leaders, collaborative teachers, involved families, supportive environments**, and **ambitious instruction**.

Your feedback is important to us! We will use your input to help develop our School Improvement Plan. Remember:

- The survey is anonymous
- You may use any device that connects to the internet
- It only takes approximately 10 minutes to complete
- You may take the survey one time per student in your household
- Staff will review the data to guide improvement
- Results are included in our school's report card if at least 20% of parents complete it
- Results are also used in the Equity Journey Continuum
- Parent and family engagement is critical to student success
- You may reach out to \_\_\_\_\_  
with any questions on the survey
